

ADVANCED PLACEMENT MODERN EUROPEAN HISTORY
Summer Assignment
Mrs. Goldberg

Welcome to your first assignment in Advanced Placement Modern European History. Congratulations on selecting such a challenging course that will develop your ability to master the AP Collegiate exam and acquire college credit. The summer assignment is intended to direct you to the substantial changes Europe went through following the period generally known as the Middle Ages.

Text: Pages 163-186 in Gombrich, E.H., A Little History of the World. Yale University Press, 2005

After you read the three short chapters on European History, write a one and a half page typed answer- in your own words- to the following question:

Identify and analyze some of the major social, political, and religious changes in European society between 1450 and 1550.

Have a great summer!
